

2016 PIT Summary

Boulder County

A Point-in-Time (PIT) count provides a snapshot of homelessness by interviewing those who are homeless at a particular time. The Metropolitan Denver Homeless Initiative (MDHI) conducted a PIT study of people experiencing homelessness in the seven-county metropolitan area with the help of volunteers, service providers, staff, and outreach workers on Monday, January 25, 2016. Of the 3,697 respondents surveyed metro-wide, 504 reported staying in Boulder County on January 25, 2016. Of the 5,467 all homeless reported metro-wide, 726 were reported as staying in Boulder County.

Boulder County: Subpopulations (Respondents)

A Point-In-Time survey was conducted during the week of January 25th, 2016 by MDHI and Metro stakeholders. This overview provides data collected from transitional housing programs in HMIS as well as from the survey itself. *Please note that not all survey questions received responses and chart data may not equal the total numbers for the county.*
